Karli Kriewall

It's good for an athlete to be extremely talented. It's also good for an athlete to be a very hard worker. Once in a while, you have someone like Karli Kriewall who was both. She was a four-year letterwinner in diving at Albert Lea High School, earning All-Conference honors in each of those years. She earned All-State honors her sophomore, junior, and senior seasons. She broke several diving records over her career and served as a team captain her senior year. Karli also lettered in track and field and broke the school pole vault record.

Karli continued her successful career at Division I Boise State University winning Conference Championships and earning a spot to compete at the USA National Championships. Karli works for the Golden Gopher Fund at the University of Minnesota and stays connected to the diving world through coaching. Congratulations to Karli Kriewall
